5. Management

Cutting and tailoring center by SHG Chaunhandhar-3 have 8 women members and they will have individual sewing machines and will hire a room in the village to execute their plan and work in a collective manner. Before the start of the actual work in the center, all the members will be imparted a short-term capsule course for training them in cutting and tailoring under some professional trainers.

6. Customers

The primary customers of the centre will mostly be ladies and some cloth merchants around village Irra . But later on this business can be scaled up by catering to nearby small townships.

7. Target of the centre

The centre primarily aims at providing unique modern and high-class stitching services to the residents of Irra village in particular and all other residents of nearby villages.

This center aims to become the most renowned stitching centre, with quality work, in its area of operation, in coming years.

8. The reason to start this business

Due to the prior experience of the members of this SHG who are already doing same work here and there this IGA has been selected and therefore the SHG is starting this business. This is an effort to combine the skill of various members and scale up their activity to earn more livelihoods.

9. SWOT ANALYSIS

1) Strength

- i) All members are like-minded and have supportive attitude.
- ii) Cutting and Tailoring activity is simple one.

2) Weakness

- i) SHG is new for the activity
- ii) lack experience in group working

3) Opportunities.

- i) Working in a Group may help in higher production.
- ii) Good demand of the activity.
- iii) Provision of **Project Contribution** to the extent of 50% and 75% of the capital cost.
- iv) Training and capacity building / Skill upgradation to be borne by the project

4. Threat

- i) Suddenly increase in price of raw material.
- ii) Competitive Market.

10. Business Plan Different Stages.

The SHG Cutting & Tailoring Chauhandhar-3 will hire a spacious room to house the 8 members along with their equipments at a centrally located place which will be easily accessible to all the members. The detailed requirement along with financial projection to start up the project will be as given hereafter under the heading -Capital Cost:

11. Some Initiatives / steps to attract customers

- The center will ensure stitching of the traditional, non- traditional fancy, daily use modern and stylish dresses
- Emphasis will be on stitching fancy and simple clothes for women and children
- The centre will repair all types of defects and ensure that no customer go unattended.
- The SHG, at later stage , may scale up their business by going into readymade garments sale-purchase.

12. Marketing analysis.

This is the most important factor which will ensure the success of our business. A detailed analysis and market survey of the command area is essential ingredient and it will give us the overview of our targeted customers and the members of the group will know the latest demands and trends.

13. Business targets

This SHG Chauhandhar-3 will broadly aim at becoming the best stitching centre in the area and nearby villages. Our goal will be to scale up the business gradually and transform it into profit making unit within next 4-5 years.

14. Financial forecast/ projections

The final rather foremost step to start up the business is to make a financial plan to determine the cost to run the business and it should also cover the business profit which the SHG is going to earn in nutshell a cost benefit analysis is required to be projected.
