1. Introduction

Sweater and Cardigan knitting along with knitting socks, mufflers, scarf, caps, gloves etc. is a common household activity mainly among the women in rural India. Most of the women are well conversant with this IGA and they do it happily in their free time and as well while doing other household works. The women in this SHG are already in activity to meet the need of their family members. Now the members have chosen this activity as IGA so that they can earn extra money to meet their expenses and raise some saving also for the difficult times. A group of 10 women of different age group came together to form a SHG under JICA project and decided to craft a business plan which can help them to take this IGA in collective manner and raise their additional income.

2. Background

Knitting center by Jai Gau Mata SHG will be located at village Dhar. This centre will provide excellent service and guide the customers about what suits them the best to provide them the product that mark the highest level of satisfaction and comfort for them.

3. Description of SHG/CIG

5. Geographical details of the Village:

3.1	Distance from the District HQ	::	80km
3.2	Distance from Main Road	::	1km
3.3	Name of local market & distance	::	15Km Mahori
3.4	Name of main market & distance	::	38 Km Theog
3.5	Name of main cities & distance	::	38Km Theog
3.6	Name of places/locations where product will be sold/ marketed	::	Shimla, Theog, Chailla, Kotkhai

6. Management

Knitting centre by Jai Gau Mata SHG of Dhar (Khashdhar) has 12 women members and they will have individual knitting machines and will hire a room in the village to execute their plan and work in a collective manner. Before the start of the actual work in the centre all the members will be imparted a short term capsule course for training them in knitting under some professional trainers.

7. Primary Action Plan

The members of this SHG have very clear vision of this IGA and after careful and thoughtful discussion within the group decided to take up this activity for additional income. The members are doing this activity in isolation but now they have joined hands to venture

into to this activity at a bit larger scale and in a planned manner. The division of labour between the members have been planned carefully so that each member contributes towards strengthening the IGA and resulting the additional money into their pockets.

8. Customers

The primary customers of our centre will mostly be local people around the village but later on this business can be scaled up by catering to nearby small townships.

9. Target of the centre

The centre primarily aims at to provide unique modern and high class knitting service to the residents of the village in particular and all other residents of nearby villages.

This centre will ensure to become the most renowned knitting centre with quality work in its area of operation in coming years.

10. The reason to start this business

Due to the prior experience of the members of this SHG who are already doing same work here and there this IGA has been selected and therefore the SHG is starting this business. This is an effort to combine the skill of various members and scale up their activity to earn more livelihoods.

11. SWOT Analysis

Strength

- Activity is being already done by some SHG members
- Raw material easily available from nearby markets
- Manufacturing process is simple
- Proper packing and easy to transport
- Other family members will also cooperate with beneficiaries
- Product self-life is long

Weakness

Lack of technical know-how

Opportunity

☐ Increasing demand for good products

Threats/Risks

- Competitive market
- ⇒ Level of commitment among beneficiaries towards participation in training/ capacity building & skill up-gradation

12. Machinery, tools and other equipments

The traditional knitting along with the mechanical knitting will go hand in hand so that a value product is made available for marketing and making it competitive both in quality and price tag. Some of the items will be produced in traditional manner and others in mechanical manner depending upon the demand in the targeted area. The following machinery and tools need to be procured.

A.	CAPITAL COST					
Sr.	Particulars of	Quantity	Rate per	Total		
No.	machinery.	Quantity	unit	Amount		
1.	Punch card knitting machine	2	37600	75200		
2.	Knitting machine (simple)	12	7250	87000		
4.	Gola making machine	6	600	3600		
5.	Working table	12	1200	14400		
6.	Plastic chairs	12	500	6000		
	Total capital cost					

В.	Recurring cost					
Sr. No.	Particulars	Unit	Rate	Amount		
1.	Room rent	Per month	1500	1500		
2.	Water & electricity	Per month	1000	1000		
3.	Knitting yarn of different colour and quality	Per month L/S	84000	84000		
4.	Lubricating oil &pippet	Per month	1400	1400		
5.	Wear & tear	Per month L/S	1400	1400		
<u> </u>	Total Recurring cost					

13. Total production and sale amount in month

Since it is an additional activity in the SHG apart from their routine household work the outcome will be proportionate to the working hours of each member. It is always better initially to keep the production on conservative side which can always be scaled up with passage of time and work experience. Therefore, it is presumed that each member will produce one item per day as finally finished product and daily 14 items can be made available for sale. Keeping in view this production rate of approximately 400 finished items will be ready for sale in one month. As beginner the item rate on an average if presumed to be Rs. 500 each therefore the total income per month is worked as under:

Particulars	Total Amount	Project contribution	SHG contribution
r ai ticulars	(Rs.)	(75%)	(25%)
Total capital cost	186200	139650	46550
Recurring cost	89300		89300

10% depreciation on capital cost/ month	1551	-	
Other expenditure per month	89300	-nil-	
Total	277051		

Total sale in a month (500*50) = 25000

However an amount of rupees 139650 is the project support therefore for calculation purpose this amount can safely be deducted from the expenditure column and the net income can be re-cast again. More over the members of SHG will be doing the job collectively therefore their wages have not been taken into account.

13. Fund flow in the group:

Sr.No	Particulars	Total Amount (Rs)	Project contribution	SHG contribution
1	Total capital cost	186200	139650	46550
2	Total Recurring Cost	89300	0	89300
3	Training	45000	45000	0
	Total outlay	320500	184650	135850

Note-

- Capital Cost 75% of the total capital cost will be borne by the Project
- **Recurring Cost** –The entire cost will be borne by the SHG/CIG.
- Trainings/capacity building/ skill up-gradation —Total cost to be borne by the Project

14. Sources of funds and procurement:

	• 75% of capital cost will be utilized					
	for purchase of machines.	rocurement of machines will be				
oject support;	 Upto Rs. 1 lakh will be parked in the SHG bank account as a revolving fund. Trainings/capacity building/ skill upgradation cost. 	done by respective DMU/FCCU after following all codal formalities.				
[G contribution	 25% of capital cost to be borne by SHG. Recurring cost to be borne by SHG 					

15. Trainings/capacity building/skill up-gradation

Trainings/capacity building/ skill up-gradation cost will be borne by project.

Following are some trainings/capacity building/ skill up-gradation proposed/needed:

- Team work
- Quality control
- Packaging and Marketing
- Financial Management
- **16. Loan Repayment Schedule-**If the loan is availed from bank it will be in the form of cash credit limit and for CCL there is no repayment schedule; however, the monthly saving and repayment receipt from members should be routed through CCL.
 - In CCL, the principal loan outstanding of the SHG must be fully paid to the banks once a year. The interest amount should be paid on a monthly basis.
 - In term loans, the repayment must be made as per the repayment schedule in the banks.

17. Monitoring Method -

- Social Audit Committee of the VFDS will monitor the progress and performance of the IGA and suggest corrective action if need be to ensure operation of the unit as per projection.
- SHG should also review the progress and performance of the IGA of each member and suggest corrective action if need be to ensure operation of the unit as per projection.
