## Introduction

Himachal Pradesh is a majestic , mythical land and is famous for its beauty and serenity , rich culture and religious heritage. The state has diverse ecosystems , rivers and valleys , and has a population of 7.5 million and covers an area of 55,673 sq km ranging from the foothills of the Shivalik mountains to the middle hills ( 300 - 6816 m above MSL) , high hills and the cool arid regions of the Upper Himalayas . It is spread over valleys in which several perennial rivers flow. About 90% of the state's population lives in rural areas. Agriculture , horticulture , hydropower and tourism are important components of the state's economy. There are 12 districts in the state and its population density is quite high .

The district is situated along the border of Punjab and is the gateway for its tourist destinations and Himalayan tours , the routes for Himalayan tours from Bilaspur district connects Mandi , Kullu, Shimla , Solan , Hamirpur and Kangra districts .

This district is famous for its ancient settlements and traditional agriculture , with the Sutlej river as its main lifeline. And after the construction of Bhakra Dam, most of the fertile land area of this district has become submerged .

Forests and forest ecosystems are repositories of rich biodiversity , and play a vital role in preserving fragile sloping lands and were the primary sources of livelihood for the rural population. Rural people are directly dependent on forest resources for their livelihood and socio-economic development. The harsh reality is that these resources are continuously depleting due to overexploitation such as for fodder , fuel , NTFP extraction, grazing , fire and drought etc.

Two self-help groups have been formed to implement livelihood improvement activities under Malaun Pangwana Forest Rural Development Committee . One of them is "Jai Maa Jwala " self help group, cutting , stitching and bag making is related to . The group members belong to the weaker sections of the society and have small land holdings. To enhance his socio-economic status , he decided to take up cutting , tailoring and bag manufacturing. In which Dr. Ulshida, subject expert Office of Forest Division Bilaspur , Kuldeep Singh, Forest Guard , Swahan Beat and Poonam Thakur FTU Coordinator Swarghat was present in which Ved Prakash Pathania was present. Contributed in preparing the business plan under the constant supervision and guidance of retired H.P.F.S .

## Executive Summary

### Maloun Pangwana Forest Rural Development Committee: -

Maloun Pangwana Forest Rural Development Committee Maloun and Pangwana villages are included in this . This Forest Rural Development Committee has been formed in village Pangwana . It is located in Swahan block of Bilaspur district in Himachal Pradesh Malaun Pangwana Forest Rural Development Committee Bilaspur Forest Division Management Unit (DMU) The forest block and beat under Swarghat forest range comes under Swahan ,

Number of families	69
BPL Families	26
total population	349

### Details of Self Help Group

Informal Jai Maa Jwala support group formed in Malaun Pangwana It was done under Van Gramin Vikas Samiti to provide livelihood improvement support by upgrading skills and capabilities. The group comprises of poor and marginal farmers. Jai Maa Nayana Self Help Group is a women's group ( 10 women) consisting of marginal and financially weak sections of the society with less land resources. Though all the members of the group grow seasonal vegetables etc. but since the land holdings of these members are very small and irrigation facilities are less and the production level has reached near saturation , to meet their financial requirements they decided to move towards cutting , stitching and bag manufacturing which can increase their income. There are 10 members in this group out of which 9 members decided to do this work And their monthly contribution is Rs.1,00 /- per month . The details of the group members are as follows:-

Description	Unit	amount	Amount (Rs.)	
Ordinary suit	1	1	250-300	
Others(Plazo , Lining etc)	1	1	300-350	

#### Analysis of income and expenditure( Monthly):

Description	Amount (Rs.)
Depreciation at 10% per annum on capital cost	600
Total recurring cost	7800
Total suits stitched per month	150 ( approx. qty)
tailored suits Selling Price ( per suit)	250
Income Generation ( 150*250)	37,500
Net Profit ( 37,500 – 8700)	28,800
distribution of net profit	<ul style="list-style-type: none"> <li>The profit will be distributed equally among the members on monthly/yearly basis.</li> <li>Profits will be used for further investments in IGA</li> </ul>

#### Finance requirement:

Description	Total Amount (Rs.)	Project contributions	SHG Contribution
total capital cost	68800	51600/-	17200/-
Total recurring cost	7800	0	7800
Training	50000	50000	0
<b>Total</b>	<b>126600</b>	<b>101600/-</b>	<b>25000/-</b>

#### Pay attention-

- **Capital Cost** - 75 % of the capital cost to be covered under the project
- **recurring cost** - To be borne by SHG/CIG.
- **Training/Capacity Building/Skill Upgradation** - will be borne by the project

**Finance Source:**

Project Support :	<ul style="list-style-type: none"> <li>• 75 % of the capital cost will be used for purchasing machines.</li> <li>• 1 lakh will be deposited in the SHG bank account .</li> <li>• Training/Capacity Building/Skill Upgradation costs.</li> </ul>	The machines will be purchased by the respective DMU/FCCU after following all the codal formalities.
Self Help Group Contribution	<p style="text-align: center;">25% of the capital cost will be borne by the SHG.</p> <p style="text-align: center;">Recurring costs to be borne by the Self Help Group</p>	

**Training/Capacity Building/Skill Upgradation**

Training/capacity building/skill upgradation cost will be borne by the project.

Following are some of the training/capacity building/skill upgradation proposed/required:

- Teamwork
- Quality Control
- Packaging and marketing
- financial management

**Loan Repayment Schedule-** If loan is taken from bank then it will be in the form of cash credit limit and there is no repayment schedule for CCL ; however , monthly savings and repayment receipts from the members should be sent through CCL.

- In CCL , the outstanding principal of the SHGs should be paid in full to the banks once a year. The interest amount should be paid on a monthly basis.
- In term loans , the repayment should be done as per the repayment schedule in banks.

**Monitoring method -**

- The Social Audit Committee of VFDS will monitor the progress and performance of the IGA and suggest corrective actions, if necessary, to ensure the operation of the unit as per projections.
- The SHG should review the progress and performance of each member's IGA and suggest corrective actions, if necessary, to ensure the operation of the unit as per projections.

**Comment:**

Keeping in view the future income of the group the second proposed activity by the group is bag making . As it was decided in principle during the review mission that more than one activity should be included in a business plan, hence the second proposed activity is attached below.

**Business plan**

**Making bags**

**By**

**Jai Maa Jwala Self Help Group**

**Executive Summary**

Bag production is a method through which people will benefit and villagers can improve their livelihood by producing bags at low cost. Through this, poor families can increase their income substantially. To produce good quality products at low cost, the group will be given training and advanced machines on subsidy so that group members can produce good quality products and earn more income

**Income Creation action From Connected product Of Description.**

product Of Name	,	Bag
